# ACUSTRIP 328-15500 & 1550-2

▲ Part No. 15500

—FEATURING AN EXPANDED pH RANGE—

## ANTIFREEZE COOLANT TEST STRIPS

ACUSTRIP Automotive Antifreeze Coolant test strips provide an exceptional, simple and economical way to test all types and colors of automotive coolant for their freeze point, boil over and corrosion protection.

With the test strip you can perform the test in a minute without the need for separate instruments or laboratory analysis. Know the condition of your antifreeze coolant for timely service and avoiding the second most common cause of vehicle breakdown—overheating.

now feature an Expanded pH Range

- Each Bottle Contains 70 Test Strips
- Available in Cases of 2 or 12 Bottles

# ACUSTRIP®

The most trusted name in test strips.

ACUSTRIP products meet or exceed standards as outlined with: EVA Certification, GMP and complies with AMRA/MAP UICS
