Replacement Filter

## TSD650LCD DUAL BENEFITS

- Large backlit LCD screen provides valuable information and walks the technician through the service making for a faster and easier exchange
- Roto-cast polyethylene body won't scratch vehicle
- Adapter rack drains into the waste tank keeping the adapters neat and organized
- Small platform does not take up a lot of room
- Clear service hoses provide visual confirmation of fluid exchange
- Perform more services and generate more revenue than with traditional ATF exchange equipment

## SPECIFICATIONS

- **Dimensions:** 48 1/2"H x 23"W x 27"D
- **Weight:** 190 lbs.
- **New Fluid Tanks:** 28 quarts (2)
- **Waste Fluid Tank:** 32 quarts (1)

#942209 - Optional A.C. Converter  
Converts 110-Volt AC to 12-Volt DC.  
Lets you operate 12-Volt DC equipment  
without a vehicle battery.
