...YOU WILL BE SAVING MONEY ON PLASTIC!

WITH THE RSC YOU WILL BE SAVING MONEY ON PLASTIC AND SHOWING THE PUBLIC THAT YOUR COMPANY IS GOING GREEN.

WHY CHOOSE THE RSC

- Better protection and less damage on vehicles
- Improved CSI scores
- Substantial savings vs. disposable plastic
- Environmentally friendly
- Easy to clean and maintain
- Provide a more professional image

THE RSC REUSABLE SEAT PROTECTORS ALLOW THE AUTOMOTIVE INDUSTRY TO HAVE AN ENVIRONMENTAL AND COST EFFECTIVE SOLUTION TO THE DISPOSABLE PLASTIC SEAT COVERS.

Whether you choose the RSC-525 or the 725 you will be saving money on plastic, establishing a more professional image with your customers, showing the public that your company is Going Green and you will reduce your garbage removal fees.

WASTE GENERATED BY A SINGLE CAR DEALERSHIP

Statistics based on 100 work orders per day.

ANNUAL COST PLASTIC VS. REUSABLE

Statistics based on 2,000 work orders per month and \$0.15 for plastic seat covers.
