ROUSSEAU WARRANTY POLICY

Rousseau Métal Inc. (hereinafter referred to as "Rousseau") warrants its standard products are of good material and workmanship, free from defect for a period of thirteen (13) months after the date of shipment made from its plant in Saint-Jean-Port-Joli. Rousseau also warrants that its standard products are fit and sufficient for the purposes intended. Rousseau standard products comply with their own specifications.

Furthermore, Rousseau offers a lifetime warranty on its "L" and "R" drawer rolling mechanisms.

During the applicable warranty period, Rousseau will assure the repair or replacement of the defective parts at its sole option and judgment and will make all necessary effort to replace or repair promptly defective product, FOB Saint-Jean-Port-Joli, Québec, Canada.

Rousseau's warranty does not cover product damage caused by overloading, abuse, neglect, improper installation or use of parts, components or accessories from another manufacturer without prior approval. This warranty applies to original purchaser only. Defect on material shall be notified immediately to Rousseau' Customer Service department in order for the warranty to apply.

At no given time can the recovering cost or claim, including damages, for Rousseau or its agents, employees, etc., be higher than the total value of the product bought, and/or for each purchase order considered separately.
